TORONTO, March 17, 2017 /CNW/ - Entering a new world of heists and gangsters, CraveTV confirmed today that it has exclusively acquired its latest CraveTV Original, **SNATCH**, from Sony Pictures Television. Loosely based on the popular movie of the same name, the 10-episode, one-hour drama begins streaming exclusively on CraveTV on **Friday, April 7** as part of #iCraveFridays.

Starring Rupert Grint (*Harry Potter*), and Dougray Scott (FEAR THE WALKING DEAD, DOCTOR WHO), and executive produced by Alex De Rakoff (*Dead Man Running*), who also serves as writer and showrunner, **SNATCH** is inspired by a real-life heist in London.

"CraveTV Originals are key differentiators for CraveTV and we're excited to expand our slate to include this wild crime drama," said Mike Cosentino, Senior Vice-President, Content and Programming, Bell Media. "Following in the spirit of film-to-television adaptations, we look forward to bringing this tale of London's underworld to Canadian viewers on CraveTV."

**SNATCH** centers on a group of twenty-something, up-and-coming hustlers, who stumble upon a truck load of stolen gold bullion and are suddenly thrust into the high-stakes world of organized crime. They must quickly learn to navigate the treacherous waters of London's underworld as rogue cops, international mobsters, and local villains descend.

**SNATCH** stars Rupert Grint as the utterly posh Charlie Cavendish-Scott. Best known as Ron Weasley in the *Harry Potter* film franchise, Grint also serves as an Executive Producer. In addition, the series stars an ensemble cast featuring Luke Pasqualino (THE BORGHIAS) as Albert Hill, Lucien Laviscount (SCREAM QUEENS) as Billy Ayres, Dougray Scott (DOCTOR WHO) as Vic Hill, Phoebe Dynevor (THE VILLAGE) as Lotti Mott, Juliet Aubrey (*The Infiltrator*) as Lily Hill, and Ed Westwick (GOSSIP GIRL), who guest stars as Sonny Castillo.

**SNATCH** joins the growing lineup of CraveTV Originals – series available only to Canadian audiences on CraveTV. Other notable CraveTV Originals include OUTSIDERS, SHUT EYE, and CASUAL, among others, as well as original Canadian series LETTERKENNY and WHAT WOULD SAL DO?, coming March 24.

**SNATCH** is part of a growing Crime & Mystery Collection on CraveTV, streaming alongside popular titles including **OUTSIDERS**, **CARDINAL**, **BLINDSPOT**, **PERSON OF INTEREST**, and **TWIN PEAKS**.
